2. The minutes of the July 19th meeting were approved as written.
3. The following voters were approved to be appointed as Officers of Elections:

Barbara shared the training schedule for the Officers of Election. She is having the chiefs and assistant chiefs in first. Then each precinct will come in alone for training. This worked well in March.

4. Election Day support will be Gary Fox.
5. Election Day policies –
 - Cell phones will be allowed in the polling places but, people may not take photos of others without permission. Voters may not make phone calls. Observers representing the parties/candidates may not make phone calls.
 - Neutral Observers – Judicial Watch has asked permission to have one observer in one precinct. After much discussion, it was decided to allow them in the Millwood precinct. Barbara will discuss parameters with them and advise Bob Holcomb, chief.
6. There being no other business, we moved to the Board of Supervisors' room and prepared the voting machines for the election, conducting Logic & Accuracy Testing.
7. The meeting was adjourned at 8:30.

Respectfully submitted,

Carol Westervelt
